“ *Myrna came into my life in Floyd, Va. when times were difficult for me. She did not hesitate to jump in and help supervise the children, feed the animals(dogs, cattle and horses)and chase escaped livestock. She was always ready to help. It sounds like she followed the same path as her life's journey continued. I will always be thankful for her support and kindness during that time. And I will never forget her coming to my rescue with Shad and Booger in tow when I called "Cow Out/horse loose!!" as she marched determinedly around the corner of the little house where she lived ready to take on whichever unruly animal was causing trouble. My deepest sympathies to the family. Jackie Frith, Floyd, Va.*

“ I first met Myrna in about 1959. She bought her first horse from my dad and continued to board him at our place. She immediately became part of our family. I can still see Myrna hopping the fence in the mornings to feed before going to work at Ohio National Bank in her skirt, blouse, and mud boots! I remember going to Flint Flicka meetings in her Chevy station wagon, camping with horses in the Shawnee National Forest, going to Beagle trials around the state of Ohio, and cross country road trips (hauling horses of course!) to Arizona and back. She was a phenomenal woman in many ways. I am sad for her passing, but ever so glad I had the opportunity to know her and experience her honesty, giving, and adventuresome ways. Love from her Arizona family. Debbie Wheaton

“ *Myrna was a great task master and protector of my time and my office in Blacksburg, VA . She was referred to as 'The Warden' by clients as they HAD to go through her protective shield for my time in order to get to see me, especially as times grew busier. She was a friend to all my clients at the same time and was always interested in their welfare and needs. She HAS been missed as a faithful employee and hard worker.*

“ *My thoughts and prayers go out to the Cellar family. Myrna was a great friend and got me started on the road to trail riding. She hauled my horse and I many miles around the State of Ohio to parks and trails and gave me the confidence to hit the road! We shared campfires, rides, good friends and OHC meetings for many years. Myrna had a wonderful spirit and spunkiness! She will be greatly missed.*

“ My life would have been so different if I wouldnt have known Myrna. So many people that I met thru her! She got me trail riding, taught me to pull a trailer, introduced me to Ohio Horseman's Council, taught me all about beagles, horses and many life lessons. She was a wonderful person. She could get cranky sometimes but all of us who knew her well learned to deal with that. She was the most generous person I ever knew. She will always have a special place in my heart. My love to all of the Cellar Family.

I miss you, I cherish the lasting memories you gave me. Your loving, generous spirit enhanced many, many lives.
