“ *To the Ferry family i was employed by your father from 1969 until 1980 when i purchased York Plaza Gateway from him. I credit him for helping me get the store. He also helped me to meet a lot of people that could help me later on in my career. I helped him to turn Lehmans into a profitable operation. All the time i worked for i did know that he had been in the service and Capained a ship. Good luck girls and Mike. I am currently in hospice care for Cancer. I am sure I'll see "My"on up in the big grocery store. Dave/Sue Gardner*
