“ *To my great Aunt Myrtle family...*

*I would like to pass on my families condolences to all of you. We are just finding out about Great Aunt Myrtle's passing.*

*My wife and I will always remember the time we came by her home on Hudson Ave. in the early 90's and she showed us her huge collection of elephants. Or how for those years we were living in Toledo and she would take the time to send us an anniversary card.*

*After hearing of her passing, we pulled out our photo albums and showed our kids (now college students) pictures we took of her holding them when she stopped by our apartment. This was a few months after the twins were born in 1995.*

*My wife and I will always think of her fondly.  
Again, we are sorry for your loss...*
