“ I am truly saddened by the loss of my Aunt Geneaive. I remember all the summers of my youth, waiting in anticipation for her camper to roll into Granny's drive way. It was the high light of every summer in Murphy. I loved spending time with her and my cousins. It's funny how you forget things, but this week I remembered things I thought were long forgotten. Like sitting in Granny's livingroom breaking beans or shucking corn with her. Or just talking about my school year and how I was doing. I will miss her! But, now I'll never forget!

“ To Paul and the entire Jenkins family, There are no words to describe the way in which Geneaive touched our lives and so many others. From all of us who knew how tirelessly she and Paul worked to make the annual UPS picnic a success each year, to the children she guided through day care, as well as her own children and grandchildren. She gave so freely of herself. She always had a kind word and a big smile, she was always interested in you, as an individual. Geneaive had a wonderful sense of humor. It was easy to see she loved people and people loved her. I know she will be greatly missed by her family, and all of us who were fortunate enough to have had her come into our lives. We will all miss her, but she left a great legacy of love for us all, as well as many fond memories. May God be with you through this time and in the days ahead.
