“ *Dear Dick, Pat, and Louise, I am praying for you all at this time of your mother's passing. Trusting Jesus Christ is everything, and at times like this we can really realize that this is true. We have a lot of good memories of your mother and of you all. She was a special lady. I keep you all and your families in my prayers, as I have over the years. Trust Jesus Christ and what He did at the cross for us; we have everything to gain in Him, and nothing to lose! May you be richly blessed of the Lord. Love in Jesus Christ, Kay P. S.: Thank you for praying for me, too. Our faithful God answers prayer.*

“ Hello Louise, You may not remember me, but we went to elementary school together. Do you remember Mrs. McLaughlin's 3rd grade class? I remember spending the night with you when you lived on Chillicothe Pike. I read in the local paper about your Mother passing. I'm sorry for your loss. It's a terrible thing to go thru. It sounds like she had a very full life. I just wanted to send a few words of sympathy. I hope you remember a little about your days in Hillsboro.

“ Louise, Pat, and Dick, Your Mother has been a very special sister and a good friend. We have such fond memories of our good times with her. Your mother was a lot of fun. We remember how Mada would sew into the night getting clothes made for our children to take to Ecuador. We have said our 'good bye' to Nada at her leaving---but we are planning a trip to go see her in heaven and what a great celebration that will be. May God hold you in His loving arms and speak His peace to your hearts. Uncle Bill and Aunt Ilene

“ My sympathy to your family during your time of grieving your loss. We are quickly becoming the "older generation" as our parent pass. My memories are of grade school time in Hillsboro. Patty was in my class. Very long ago, yes, but the memories are sweet.
