“ I managed Nancy in Raleigh and will always remember how energetic and humble she was. Her customer service was phenomenal and she valued the love of her daughters. If anyone can shed any light on her passing and the cause I would like to let those wondering what? and how? would be greatly appreciated. We love you here at 338 Fancy Nancy

“ I have many awesome memories of Nancy. All of them have one thing in common, family or business, you see , not only was Nancy family , but, she also was our top recruiter for young TMBinc, and I will never forget our many shared experiences we had together doing the business we both were loved and were exceptional at, and doing it together. She was very special and everyone knew it , she helped that company grow leaps and bounds and it was very special, just like Nancy.
