“ *I've known Nancy my entire life, 31 years. She helped my parents book their honeymoon back in 1988, and she's been family ever since. Nancy was there when I was born. Nancy was there at all my school events. Nancy taught me how to swim and took me trick or treating. Nancy was there when I got married and had my own children. My friends all knew her and loved her. It was hard not to, her joy and happiness were contagious. She will be in my heart forever and I will remember her every single day. I love you Nancy*

“ *Nacy was a beautiful soul. I enjoy taking her to lunch. She would be sooo excited when I asked her to meet me for lunch. That made my day her being happy to see me and we eat at the Chinese buffet or at the House of Japan. I will miss her calls and our lunches. I loved her very much.*
