“ *Amy: I am very sorry about your mothers passing. I am sure that she is no longer suffering and even though you will miss her there is a reason that we don't understand for her being called. Let me know if there is anything I can do for you or your family. Kay*

“ *My thoughts and prayers are with you all this week. I have many fond memories of Nancy in the kitchen as Sally and I flitted in and out as teenagers, and through the years keeping tabs on her family. I am so sorry for your loss.*
