“ *Nancy & I worked together for years at Riverside Hospital in the early 1990's. She was a delight and we had many wonderful times together. She shared things with me that to this day I will always remember. Around 2009 & 2010, I put together some reunions with all the Nurses that we worked with and we had a marvelous time! I still have a beautiful tapestry that she gave me, she got it when she was overseas many decades ago! We stayed in touch through Christmas cards until she passed away. Miss you Nancy!*

“ *We shared a church pew with Nancy at Maple Grove until Covid. We shared cat stories, Air Force stories and life's laughs. We always made each other laugh because laughter is healthy. We will miss stopping at her house with litter bags and snacks for Nancy and Mark. We are happy her knee no longer hurts!*
