“ *I was Nancy's boss at Huntington when she worked at the help desk at what was then the bank's computer operations center on Morse road. This would have been in the late 1980's. She worked for me roughly two years. It is very easy for me to reflect memories of her. She was a hard working dedicated employee. So sorry for your loss -- condolences to all. Rick Higgins*

“ *Nancy's mother was my grandmother Arnett's best friend. I've known Nancy for about 40 years. She has always been exceptionally kind to me. I remember when I was working at a family practice in Powell. She was one of my patients. I have since moved from the Columbus area so that was the last time I saw her. My condolences go out to the entire family. Nancy, we are all going to miss you very much.*
