“ *We all thought of some funny memories of Nolan. One time he was with me when Gregory was at basketball practice. He accidentally bumped into a defibrillator and it turned on. The school custodian was not happy with either of us but 11 years later I see a defibrillator and think of Nolan. Also he and Gregory would be on the phone doing Pee Wee Herman and ask each other what is the secret word. Both would be laughing. After the school sex talk both decided in the car that they were not going to go thru puberty. I laughed and said just you wait. Many of a nerf ball game at the house, riding bikes and swimming together.*

*Again sorry for your loss Lisa, Marley and Brianna. Take care and cherish your memories of Nolan.*

“ We are so sad to hear of Nolan's death. Thanks for sending a message to let us know. Gregory and Nolan were such good friends at Riverside. Last night we were laughing at many funny memories of the 2 of them together. None of us will ever forget Carrot and Celery as they called each other.

*Take care and my heart breaks for you on the loss of Nolan as a son and brother.*

“ *He would come home with my son and stay for days I think. He was carrot, and my son was celery. Fun sense of humor. He will be missed.*

“ I remember the day Nolan was born. I can still recall that smile peeking through the pacifier in his mouth when he would wake up from a nap. Some of my fondest memories of my adolescence were spent with Lisa, Brenna, Marley, and Nolan. Nolan grew up to be a handsome, intelligent, witty, and caring young man. He will be greatly missed.
