“ *I have many wonderful memories of time spent with Aunt Nora while I was growing up. She was a beautiful person, on the inside as well as the outside. Even though we hadn't seen each other or spoken in many years, she was always in my heart and she always will be. She always had a smile on her face and a kind word for someone. She will be greatly missed by everyone who knew and loved her. Tina and Lisa, (and the rest of the family), you are in our thoughts and prayers.*

“ *I remember when I graduated high school how Aunt Nora came to our house and gave me a graduation present. It was a \$50 bill. I had never seen a \$50 bill before and saved it for a long time. I always wanted to be just like Aunt Nora, classy and beautiful. I will miss you Aunt Nora.*

“ I remember being a little girl and visiting Ohio and never knowing out of all my Aunts and oh boy I have a lot of Aunts trying to figure out who is who but I always knew who my Aunt Nora was my Mom had pictures of all her siblings and that how I knew. I will never forget all our talks on the phone before and after my mom passed because of my Aunt Nora I found a better way of life to live she is the one who convinced me to go into treatment for my addiction and nearly 14 years later I'm still here and lending a happy life free of addiction... For 13 yrs I mailed her my birthday chips for being sober and clean but this coming up birthday I will give it to another newcomer.. Tina and Lisa I'm so sorry about your mom I loved her too she was a great Aunt to me when I needed her especially when my mom passed she will be greatly missed I love you both.. Carry on your moms sunshine

Nora was a beautiful , classy lady who always had a beautiful smile on her face. I am so glad I got to see that beautiful smile this month. What a memory she had for when we were neighbors on Lincoln Ave. I know she is in heaven with my mom watching over their children. Hugs to you Tina, Lisa and family
