“ *Dear Curt, Paul, Debbie, Alan, and Brenda,*

*I am so sorry to hear of the loss of your mother. I fondly remember Sunday dinners at your house with so much yummy food- especially the mac and cheese! I enjoyed spending time in the greenhouse learning about plants and flowers with your mom and our time at The Ohio State Fair, enjoying her floral entries and sharing her smiles when she won the many blue ribbons/Best of Show! Norma was a very kind and wonderful lady and will be missed. Once again, I am so sorry for your loss.*

“ Having flowers on the website (versus a picture of her) is very fitting. Mrs. Boster loved flowers and was a very accomplished gardener. She will be greatly missed by her family and all that knew her. She will be fondly remembered.
