“ *I will always remember my dear sweet Norma (mom) for making me feel like one of her girls. The memories of all the Bluegrass festivals and fun at the house when I really needed to feel a part of a family. She was the most kind and gentle person despite all the pressure she was under. One of my favorite memories was our trip to Florida and her then recent dental surgery. Needless to say there were a lot of laughs then and still some today. She is always in my heart. You are all in my thoughts and prayers. Love always, Debbie Spencer*
