“ *Norma and I were born on the same day, same year and went to high school together. We were in a senior class play where she was the star. Always a beautiful and happy girl. The Memorial High School Class of 1950 meets yearly for lunch. We are limited in size, and many are deceased, but we still find time to remember events when we were in school. My sympathy goes out to your family.*

“ *I love this picture of 16 year old Norma on her way (by train!) to California with her grandmother, Jody Forteman Hausfeld & Great-aunt Mayme. She said they laughed the whole way.*

“ I remember 35 years ago when I moved to Columbus and knew no one. Jerry and Norma immediately opened their home to me and made me feel like family. I am sure you are thinking "of course they did". I will never forget how comforting it made me feel that I had a place to go if I wanted a home cooked meal or just someone to talk to. I am sure Jerry and Norma are at the pearly gates welcoming people in as we speak.

Norma was a very special person. The heart that she had for others is a rare gift to the many people who had the privilege to know her and be blessed by her.

Donna and I are so sorry for your loss and your whole family is in our prayers.

“ It was truly my pleasure to get to know your Mother while she volunteered helping with the mail. I will always remember her placing her hand on my hand saying, " we will do whatever it takes" with that fantastic smile that she had! I truly loved both of your parents, myself and Wesley Glen are and will be a better place for having the pleasure of having them in our lives.
