“ *To all the family of Norma: I was a classmate of Norma's at St Mary of the Springs . When I moved away it was Norma who always kept me informed of what the classmates were doing. It has kept us close for 60 years and I will miss her deeply. She truly was a living saint. I will continue to keep all of you in my daily prayers and hope for healing grace for you.*

“ Growing up in Sycamore Hills was one of the best things in life. Norma was one of the big influences on my life. Way way back when we had only lived there a few months so I was about 5, I was over at her house for something. Norma asked me why I bite my nails. I don't remember the reason I gave but she brushed my fingers with hot pepper sauce of some kind. She said there, that will help you stop. Not sure if it helped me stop biting my nails... but I've never liked hot sauce. I just remember she had remedies for many things.

I remember using the Johanni driveway to learn to drive a stick shift. It was the perfect angle. Anyway she was a great person. The gang in Heaven has added another Sycamore Hills angel. Love to you all

Norma and Wally were part of the volleyball gang. Lots of great memories were made and friendships formed not only between the adults but with the families. Sycamore hills was a great place to live. I am sure Norma will be welcomed into heaven by those who have gone before with open arms. God bless her and Wally too.

I went to St. Mary of the Springs with Norma. She was a friend to us all. She was our leader then and until her last days of her life here on earth. She was the epitome of giving of herself, time, talent and treasure. We will miss her. May God bless Wally, their children, grandchildren and great grandchild. May she rest in His peace.
