“ *Dear Family, I was so sorry to read of your mothers passing in the paper yesterday. Your mom worked with me at Columbus Coated Fabrics in the Design Center. Unfortunately I was unable to attend the services honoring her life today. Norma was such a lovely person with a contagious laugh and smile. We loved having her in the Design Center. She had such wonderful perspective of life and great love for each of you. I so enjoyed her stories of Kelly and her struggles. What a blessing to Norma's life. She touched the lives of so many of us at CCF. Please know that Norma and all of you are in my thoughts and prayers as you get through such a difficult time. Sincerely, Kathy Wink*

“ *Dear Kelly: My deepest sympathy to you and your family. You may remember me. . I worked with your Mom for many years as a Secretary at CCF. We had many great times and I always enjoyed hearing of your accomplishments. One of my favorite memories is when we talked "hair" color. Her favorite product color had been discontinued and we searched all the drug stores in town for her color and finally she called the manufacturer and they sent her a case! She was a great gal and I admired her as a single working Mother and her dedication to MRDD. I will miss my "blond bombshell" . Love to you all, Sandy.*
