“ *Joyce, you are a very the kind and loving person. It hurts me to see and feel your sadness at this time. Your mother felt blessed to have your constant care, your kindness, your guidance and help especially in the last several years. You are such a giver to others. All of us that know you thank the good lord above for the blessing you are in our lives. May you have peace and happy memories to reflect on to help you through your grief. We hold you are in our thoughts and prayers at the difficult time. We love you!*
