

## Norman Lee Gansmiller

August 27, 1951 - December 31, 2022

Norman Lee Gansmiller, 71, of Powell, OH and Ft Myers, FL passed away on New Year's Day 2023 surrounded by his family, which he adored, in Columbus, OH. He was born 8/27/1951 to Richard and Erma Gansmiller in Toledo, OH. Norm was a graduate of Libbey HS in 1969 and Toledo University. He got his master's degree from Rochester College. He married Marlene Washburn on May 30, 1975, in Toledo.

He retired from Owens Corning in 2009 after over 40 years, working in several roles. After retirement, he mentored many business owners as a proud member of S.C.O.R.E. Norm was an avid golfer. If you didn't know where he was, he was probably on the course, chipping in from just off the green or rolling in a 20-foot putt for par. Or perhaps on his favorite hole, the 19th, surrounded by his friends with a margarita close. Norm cared deeply for his family; every decision he made was about taking care of those closest to him. Norm was preceded in death by his parents and in-laws. He is survived by Marlene and two daughters Julie (Jacob) Worrell and Kali (Jeff) Rogers. He is survived by 4 wonderful grandchildren that adored him. Aiden 13, Natalie 12, Lindsay 9 and Savannah 5. He inherited 2 step-grandchildren Jacob and Danielle. He is also survived by his Sister Linda Brentlinger and niece Kellie along with Marlene's brother and Sister-in-Law, Myles and Sylvia Washburn, and his nephews Evan and Alex and way too many friends to list.

Calling Hours will be at Rutherford Funeral home in Powell, OH on Saturday, January 7 from 11am -1pm followed by services at 1pm. A reception will follow

at Julie's house in Powell to celebrate his wonderful life. All are welcome. Additional plans will be announced for a celebration in Florida within a few months.

“*Marlene, Bonnie and I are so sad to hear of your loss. We will not be able to be at Norms service but please know that we are thinking of you and your family at this very difficult time. As you know, personally I have always been very fond of Norm as I always thought of him as one of my best friends from high school. Not even sure how we met but we did and I was always the better person for it. Norm always claimed he bought his first new boat just so he could get my fatxxx up on the skis. He was successful and we seemed to live on the old muddy Maumee that summer. So many great memories!! Of course we went our separate ways and you folks moved away but it was always so great to see you and Norm at class reunions and such. We reminisced and laughed and embellished our stories as we got older. I and the rest of the reunion committee folks were so pleased for Norm’s help on our 50th class reunion and to see him regularly. One thing I am very happy about is Norm and I recently reconnected again as he was preparing for a hip and knee replacement. I am in the recovery stages of a knee replacement so Norm called me for info. We talked and laughed at length and I so enjoyed our conversations. You and your girls have a husband and dad to be proud of. He lived his life as we all should. He worked hard, got himself an education, raised two beautiful daughters, and helped with his beloved grand kids. I can assure you that as a contemporary, Norm is happy in heaven with what he accomplished. We will all grieve and will miss him terribly, but he made an important impact, one I am personally grateful for. Norm left a legacy we all can only hope for. Again, we are thinking and praying for you during this difficult time.*”

“ Norm and I were in Sales for Owens Corning based in Columbus Ohio. We became great friends and on office days we occasionally got in trouble with Marlene for not coming directly home from work.....TGI Fridays was our favorite spot to blow off some steam, and time just slipped away. It was really all my fault Marlene. Both of us had CB Radios in our snazzy company cars (1980's) and occasionally would hear each other chatting away with the truck drivers. I can still hear him say “hey Disco is that you.” God bless Marlene for putting up with us!! What a great guy!
