“ *He was my fifth and 6th grade teacher at Arnettsville. He was smart and a nice man who had control of the classroom. He use to have funny arguments with my grandad the buss driver Harland Michael over my pap being a diehard democrat and him being a republican. As a young child I didn't know any republicans so I figured they were all crazy until I met my Pickstone. He use to call me little Harland when I was being hard headed about something he was trying to teach. If I ever become a teacher someday it will be because of men like mr Pickstone.*

“ *With deepest sympathy I am sorry for your loss. He was the best elementary school teacher that Arnettsville ever had. He was my 4th and 5th grade teacher. He will be missed by all of us who were lucky to have him in our lives. -----Regina Kalisz*
