“ Dear Dad, I celebrate your life with many thoughts that are whirling around me right now. I'm currently enjoying memories of our trip to see the Reds play baseball this July. Four of your painted ducks are with me in my office as I write this note. May you rest in peace.
Love, Brad

“ I am glad you were in my life Norman. Although you weren't technically my father you always treated me as your daughter. You were a wonderful father to my brother Erich and a loving grandpa. You will be greatly missed by me. Rest in peace and thanks be to God.
