“ *Aunt Olga was such an upbeat spirit...she endured many hardships and sadness in her life yet she never complained , always looked for the silver lining in every cloud, never failed to ask about others. My entire family will miss her very much.*

*Rest in Peace Aunt Olga,*

*Olga was always a kind and gentle lady who showered everyone with her caring spirit. Her warmth and concern never changed over the years and this is what I shall remember most about her. Our deepest sympathy to David, Michael and the rest of the family.*

*I met Olga over 30 years ago when she started working part-time in accounting for NABCO. She was without any doubt one of the nicest and kindest people I have ever had the pleasure of knowing. She was fun...she was funny and always exhibited a positive attitude in spite of having some difficult times in her life. She was never afraid of speaking her mind without being mean-spirited in what she was saying. I always admired that about her.*

*You just kinda knew where you stood with Olga. We exchanged birthday and Christmas greetings for years and she and Sal would always come into the office to go to lunch and visit when they were in Columbus. I remember going down to the hotel bar for drinks after work with "the radio gang" and the delightfulness when Olga joined us for fun and laughs. David, I remember when you and your mother and I sat and talked a few years back at the NABCO anniversary party. Although we had all aged "a little" physically, Olga was still Olga. What a wonderful person she was! All of her family is blessed to have had her in their lives for so many years and I'll always remember her with fondness.*
