“ *Though late in learning of the passing of this fine lady, my sincere condolences and heartfelt Blessings to Opal's family and many friends. I was honored to have been friends with both Opal and Harlan, as well as having had the privilege of being their RV dealer in Marion, Ohio. Over the years we became very good friends, and the memories of both of these fine are priceless and many.*

One can look the world over and never find more sincere, loving people ... Both were my dear friends, and I will be forever grateful for having known them. May the Peace of God that passes all understanding be with each of you.

So sorry this so late in getting posted, but was not aware of Opals passing until recently.

Our thoughts are with you all. Opal was like a second Mother to me. She was Tim's girlfriend & we both enjoyed spending time with her over Thanksgiving. I'm so glad we got the opportunity to visit with her on Christmas Eve. I'll remember our trips to Top Sail & how she enjoyed sitting on the beach in her chair reading. She will be missed, but she is with the love of her life now. Please know that we are there for you all.

Love
