“ *Dear Family and Friends, on behalf of our side of the family, we apologize for Buz's ungrateful and inappropriate comments, we are working to have them removed from the site as expeditiously as possible. Those of you who new Zelma and Orin, know how generous they were and how much love they poured into the community. It's a shame some people aren't grateful for all they did. With love, Beth*

Beth, you don't know the story. But you also lost \$500,000.00

BU

Aunt Zelma did more for me than most in the family, using uncle orin's money.

I was very grateful but Grandma and I talked before her death. She said Sandy And I would never have to work again. Her exact words. She said we can easily live well off the interest. Leaving the money in the bank.

After the funeral Aunt Zelma gave Sandy and I both \$2000.00 Aunt z and uncle o had put an ad in an obscure daily paper, saying if anyone contests this will, they have x amount of time.

It is one thing to deprive of inheritance, it is another to do it by deceipt. This takes a lawyer, it takes planning and to lie to the people you love!!??

Why did they do it? \$50,000 motorhome. \$75,000 car and vacations back and forth to Florida. Yacht on lake Erie, country club up there and here

Their thought process is, Sandy and I would just waste it.
