“ Dear Shakthi & Padma, Please accept our sincere sympathy on the passing of your beloved mother. One of my fondest memories of your dear mother is of the kindness she showed to us whenever we meet. She always held my face with her both hands with joy and I always felt blessed near her. Maaji lived her life as a model of grace and goodness and we are very lucky to have known her. I wish I could find words that would relieve your pain, but I cannot imagine what they are. Losing mother is one of the saddest life experiences possible, and words of true comfort are difficult to find. Please know that we are thinking of you in your sorrow. You have our sincere condolences. In sympathy, Geetha & Jay Kumar
