“ *I met Parker when we were both club members of the Mid-American Exotic Bird Society. I was there at the club "meet and greet" when Parker met Stevie, the macaw parrot whom he later adopted. I remember Parker as always smiling and laughing. He was generous in spirit & would often bring cookies and treats to the club meetings. I knew his passion for the Lord & know his soul is at peace. My prayers are with his family and many friends. RIP Parker.*

“ *I will miss him greatly, but will always remember the laughs we shared almost everyday for the last 12 years. He was a tremendous influence on my Christian walk.*
