“ *My sweet dear Mary Ann (and Kirsten) I am so sorry to read that Parks has left us. I had an enormous amount of pleasure caring for you and Parks at Dr. Castor's office. I have thought of you many times since my leaving. Parks was a wonderful patient and he certainly fought a tough fight. I am proud to say that I knew him. You all blessed me beyond words. Mary Ann, you are so strong and tirelessly took care of your husband. I know that you will miss him but I pray for all of you a peace that transcends understanding. Thank you for letting me share a little of your lives.*
