

## Patricia (Patti) Dilts

August 22, 1964 - May 1, 2023

Patricia Campredon Dilts of Worthington, Ohio passed away on May 1, 2023 at the age of 58. Born into a military family she experienced the honor of seeing much of the United States, making friends everywhere she went. She was a graduate of Reynoldsburg High School, class of '82, and earned an educational degree from Eastern Kentucky University, which led her to teach school in New Mexico where she had family roots. Upon returning to Ohio she transitioned into software training for Frank Gates Company and worked in various aspects of insurance claims. Patti was very active in her church family, serving extensively with the youth and missions work. She met the love of her life Rick in September of 2013 and was married shortly after. Patti was preceded in death by her daughter Paige Campredon; her father Phillip Alfred Campredon Jr.; her mother Avon Campredon; and mother-in-law Kate Dilts. She is survived by her husband Rick Dilts; father-in-law Dick Dilts; daughters Katy

Dilts and

Kristin (Tom) Edgar; son Zack Held; sister Paula Snyder; brother Phillip A. Campredon

III (Tara); nephews Christian and Cameron Snyder; nieces Olivia, Abby and Emma

Campredon and nephew Landon Campredon; Rick's siblings Mary Kate Dilts-Skaggs,

Debra (Mike) Cottle, Dottie (Jeff) Devore, Jane (Lloyd) Turner, John (Kim) Dilts, James

(Amy) Dilts; numerous nieces and nephews; and dearest friends Chris and Rebecca

Testa.

Patti loved Jesus Christ, who was her Lord and Savior, and exuded His passion

for people in her life. She never knew a stranger and would ask intentional questions to

all she met in order to know them better and "follow up" with them the next time she saw

them. She sowed into many people's lives making sure they knew they mattered. While

she battled physical restrictions late in life she never allowed a day to go by without

being an encouragement to those around her. She fully experienced her

favorite verse, Isaiah 41:10, "Don't be afraid, for I am with you. Don't be

discouraged, for I am your God. I will strengthen you and help you. I will hold

you up with my victorious right hand." In lieu of flowers, please kindly donate

“ Patti was a great, comforting person. She always cared about those she managed and always asked about our family life and how things were going. She helped me thru hard times and made me smile other times. She always helped out when she could. She will be greatly missed by all.

“ Oh the times we all had in Youth Group at Shady Lane Church! The fact that the friendship she had with my sister lasted 50 years is a testament to the heart of Patti. To know she is with Jesus gives me joy. I offer my most sincere condolences to those that must wait a bit to see her again...but we will see her again. RIH Patti <3

“ Patti gave me an opportunity at a time when things felt hopeless & she was a wonderful leader who not only allowed me to grow in my role under her, but continued to mentor me throughout the years at York/Sedgwick as I moved up.

*She not only cared about you professionally, but also personally & wanted to know how you were doing as an individual. It's hard to find people like her today who really care.*

*I'm so saddened to hear about this large loss. She loved her family & raved about her nephews and nieces constantly as well as her new family after she married, as they brought her so much joy. You all were loved by a wonderful person!*

*RIP, Patti! We will miss you!*

“ *Patti was one of my neighbors growing up in Reynoldsburg. She was a source of light even then. I remember laughing so hard at times, we both cried and couldn't speak.*

*She was everything that was good in the world. We've kept in touch over the years and one thing that never changed was her belief there was joy in every day things. When she met Rick and the rest of her extended family, she was so truly happy with her life.*

*Patti had so many friends who loved her. I've only heard good things about her and how she impacted the lives of others. That is what a legacy should be and not often found.*

*The world feels smaller now without her in it. But what a joyful thought she is in the arms of Jesus. He walked her through life with the utmost of care and now she is home.*

*I'll miss you.*

“ *Patti was one of the BEST supervisors a person could ask for. She was ALWAYS available. When I lost my mother-in-law she called and prayed with me. I am truly going to miss her. I never met her in person but she was sweetest and most caring person. My condolences to her family and she will definitely never be forgotten.*
