“ *Patti and her daughters have been part of our family for well over 10 years. After we first moved to a new neighborhood our daughters didn't know anyone but discovered that 2 girls from their school lived right down the street and around the same age. It was such a blessing to Patti and our family, as they all soon become close friends, having sleep overs, movies, and hanging out, Patti even invited them along for several family vacations! We always appreciated Patti's candor and sense of humor and we will miss her.*

*We are praying for strength, wisdom, hope, and healing for the girls and the Dunn family.*

*God bless,*

“ I first met Patti in the mid 1980's when she played on my coed softball team, She was an avid and fiercely competitive player. We have been friends ever since. She will always be remembered for her kindness and generosity. She will always be in my prayers.

“ I first met Patti when we were both counselors at Ft. Scott Camps in 1975. We became good friends and though many years could go by before seeing each other, when we'd get together it always seemed as though no time had passed at all. Happily, Facebook made it easier to keep in touch over the last several years.  
Patti's two beautiful daughters Kiernan and Bronwyn brought her down to Cincinnati the past two springs so that we could celebrate St. Patty's with many other Ft. Scott alums. I am so grateful to the girls for that.  
I pray for peace and comfort for Patti's girls and the rest of her family. I, like all the rest of you, will miss her terribly...

“ Sending my deepest sympathy to the family of Patti. Patti was a dear life long friend of my sister and Godmother to her daughter. Because Liz and I are close in age, I have many memories of Liz and Patti enjoying all life had to offer in grade school and high school. There was lots of laughter during those years and plenty of "living on the edge" to the frustration of their parents. Oh how they enjoyed life!!

*As the years passed, Patti would come to many major occasions in our family's life to support Liz. She always had kind and considerate words for all Liz's siblings. She encouraged others and offered assistance. She knew how to be a friend to all.*

*I'm sure she is dancing on those streets of gold in heaven and finding something to enjoy. You will be missed Patti!*

“ Sending my condolences to the family of Patti. I worked with Patti for many years at the state. She had a tireless sense of humor, with a great sarcastic wit! She was taken from earth too young.

“ I remember when my daughter was drawing pictures to sell to raise money for the Food Pantry - PJ bought a picture and had it hanging at her desk for several years. She was very caring, and could always put a positive spin on almost anything to make others feel better when they were down. She will be deeply missed. ❤️
