

Patricia Jean Golden

March 14, 1947 - June 21, 2018

Patricia Jean Golden (Quintieri) born March 14, 1947 passed away on June 21, 2018 after battling Alzheimer's for nearly five years. She was born in Portland, Oregon and was raised in Vancouver, Washington where she graduated from Hudson's Bay High School and also attended Clark College. She excelled at gardening, cooking Italian food, baking and crafting. She was a past Honored Queen of Job's Daughters International (Masonic Order, Order of the Eastern Star) in 1965.

In 1966, her dad received a company transfer to Columbus. This is where she met her future husband Jim, standing in line at the Swan Cleaners in the old Town and Country shopping center. They dated for two weeks before he was shipped to Vietnam and upon his return, they were married on February 28, 1968; a marriage which lasted for over 50 years.

Patricia retired in 2007 from Chapter 13 Bankruptcy Trustee as a Plan Analyst after 25 years. She was a friend to everyone, and always greeted you with her overwhelming smile. She was a devoted and loving wife, mother and grandmother. She will be greatly missed by all.

“ *The most wonderful, beautiful woman in the world. The sweetest, most caring mother any person could have. The woman that always loved me no matter what, believed in me, laughed with me, cried with me, held me when I needed held, made me healthy when I was sick, lifted me up when I was sad, forgave me when I was wrong, wholeheartedly praised me when I did well and unselfishly gave all of yourself to me so that I would be happy. I love you mommy, I love you. Thank you for all you taught me on this earth as my mother, and all you have taught my soul through your passing. I will miss you every single moment for the rest of my life but I will see you on the other side one day.*

Yesterday, the day you passed over, was summer solstice. This was so apropos, as it is the longest day of the year. The one day when the sun shines the brightest, a day to celebrate as the dark sorrows of the yesterdays dissipate in the spectacular bright light of All that Is upon our souls. This light raises us up in the Creator's love, fashioning us anew, to have wonderful tomorrows.

Loved by the Sun by Tangerine Dream

*I have seen the mystics play there once or twice
But I knew they had a reason
Enchantment plays its cards all right
Hand in hand with the working of the seasons*

*Legends can be now and forever
Teaching us to love for goodness sake
Legends can be now and forever
Loved by the sun, loved by the sun
Loved*

*Two and two go so close together
Whether there is hope that is torn apart*

*In the words of all that's singing
Hand in hand the beginning is at the start*

*Legends can be now and forever
Teaching us to love for goodness sake
Legends can be now and forever
Loved by the sun, loved by the sun
Loved*

*Who sings of all of love's eternity
Whose light shines so bright
In all the songs of love's unending spells
Lightning strikes all that's evil
Teaching us to love for goodness sake*

*Hear the music of love eternal
Teaching us to reach for goodness sake
Legends can be now and forever
Teaching us to love for goodness sake*

*Loved by the sun, loved by the sun
Loved*

“ I was blessed to have worked w Patricia at Chapter 13. She actually helped train me for my position. She was kind, sweet, professional and a friend to all. In many ways, she was a mentor; someone I truly looked up to. She always talked about her children and grandchildren and the importance of family. My heart is with her family during this time.
