“ *They say your friends are family that you get to choose. All those years ago at The Ohio State University, Daddy and Mom chose so wisely, dearest friends. The truly picked the best. Bob and I cherished Tom and Pat, and you all - Lynn, Kim, Jim, and Kenny felt like cousins. Daddy will miss hearing Pat's sweet voice so much, and I know we all look forward to a wonderful reunion in heaven. Go Bucks....and much love from Bob/Robert A; Bob and Sharon; Craig and Carolyn, and all our sons and daughters.*

PS I absolutely loved Pat's giggle, and I can still hear Tom and Daddy's exchange every single time they met: "Hey, doc!" "How you doin', doc?!"

So sorry for all of the family and friends loss. I heard so much growing up about the Frazier family that I truly thought they were related to us!! I literally only found out a couple of years ago we weren't blood related. Thank you for all the memories.
