“ Dear Craig, Brandon and Tiffany-
I am so sorry for your loss!
Your Grandma was such a wonderful part of my past.
I have been thinking a lot about her the last month and wondering
how she was doing.
I am genuinely very sad she is gone. Over the years I have thought
about trying
to visit her. I wish we didn't live so far away. Every time I was with
your Grandmother
all we would do was laugh. She was always a joy to be around. I will
never forget the
time your Grandmother and I went to Universal Studio's in
Hollywood. But before
we went, I drove around Bel-Air and by some of the Movie Stars
Homes. These
were some of her favorite things to do. We had such a good time.
We talked about that adventure every time we would see each other
and just laugh and laugh. You know there aren't many people
today who are truly fun to be around. Most people bring all the cares
of life to a gathering and are depressed and don't enjoy the
moments that are given to them. Your Grandmother enjoyed the
moments that were given to her. She could make an ordinary day a
fun and memorable time. She is going to be greatly missed.
I truly wish I would have gotten to enjoy her company one last time.
I remember when
my mom Marlene died, Craig and Aunt Patty called to talk with me. I
treasured that
call and so enjoyed talking with Aunt Patty and Craig. I have so
many sweet memories
of visiting you all in Ohio and the many visits you all made to
California.
I will hold these treasured memories in my heart always and never
forget them.
I know your Grandmother is the presence of Jesus and is at home
in heaven.
I had the pleasure of leading your Grandmother to Christ and will

*always remember
that as a very special moment in my life and hers. Aunt Patty will be
greatly missed
but always dearly remembered. One day in the future we will be
reunited in heaven,
Grandma and Grandpa Harrel, Steve and Mike, Uncle Dick,
Marlene and Bill.
What a glorious day that will be. Your families are in my thoughts
and prayers.
Love from Cathy Beaudry!*
