“ *What a beautiful and special person she was to me when I moved next to her from Arizona welcoming us with open arms. Always giving of herself, being by my side for two years of my husband's sickness and seeing to all our needs and making sure I was doing OK. I have two beautiful Angel's in Heaven watching over me and my three dogs guiding us through life as I go on and live without them. I will miss this special lady forever but she will always be in my heart and embedded in my soul. May you rest now and enjoy the everlasting peace of the arms of the Lord. Lovingly, Linda Lagese So proud and grateful to have lived beside you* ❤️❤️

“ *Being Patie's little brother was one of the best experience anyone could ever have. She always had time and cared for me and her entire family. Her kindness and sense of humor was contagious. A talented lady in so many ways, the world was hers to behold. I enjoyed her dancing and all the glamor that she had, and was so proud of her..*

*Everyone knew Pattie, and wanted to be her friend. She could command the attention of a crowd when she entered the room, without even knowing it. Graciousness, and the glow in her face, always, made being around her so wonderful.*

*It's hard to sum up how I feel as a brother in such a short space, and time. She earned her place in life, and a loving daughter, sister, mother, aunt, grandmother, and wife. Her faith in Almighty God and His Blessed Mother, were outstanding examples and inspirential and contagious. She set the bar high for me as her brother and helped me mold my life. Thank you dear sister, for being my best friend and being so caring and loving. You are going to be missed. Until we meet again.*

*Your little brother, Mickey*

*The world is a bit dimmer without Pattie's beauty, laughter and prayer. He place in the family, sandwiched in between two generations gave us a lovely lodestar. She occupied a place of "the favorite one" with ease and decorum. Her generosity and kindness coupled with a quick wit, a welcome addition to any family function. Her welcome to the rest of our dearly departed, we know will be met with open arms and great love.*

*Deep sympathy dear cousins, We can only send you sweet prayers.*

Love,

*Well, dear sister Pattie, it will be two years July 6, that you passed away. Not a day goes by that I dont think about you, and miss your phone calls to us in Peoria. It is difficult to wrap my mind around the fact that you are gone, and in heaven with Almighty God. Rest easy, and keep watching over us, as you said you would. I miss you very much. Mickey*
