“ *Chris and Matt, I am so sorry due to the horrible weather Kim and I were unable to come to your Mother's funeral. We have been girlfriends since we were about 8 years old, and so we last saw her at the funeral for your father . She was a wonderful Christian and a tribute to God's family. We lift you and your families in prayers of healing and care. Many Blessings to you and your families.*

“ *I am thankful for the time I got to spend with Pat. We met in our docent class at the zoo. She was an active listener and always made me feel special. The lovingkindness of God was certainly evident in her life. I will miss her. May God provide comfort to her family who she loved so much.*

“ I taught Sunday school with Pat and for her son Chris many years ago. I remember her as a kind, caring, compassionate person who truly loved being around children, teaching them and guiding them into their futures. She loved her family dearly and she will be truly missed here.

“ I am deeply saddened to learn of Pat's passing. She was a dear school friend from our elementary years on. In more recent years we walked Sharon Woods together and occasionally met for dinner or a movie. I hadn't seen her for a while as I live in CA now. My most sincere and deepest condolences to her family whom she obviously loved so dearly and was so very proud of.

“ I went all through school with Pat, starting in first grade and graduating from North HS together. I also saw her on occasion at OSU while I took classes in elementary education. We often saw Pat and Bud while traveling to away football games such as shopping in Nashville, IN. Pat also hiked with retired Columbus teachers, and I was invited to hike by a mutual friend, Janie (Cummins) Reeves.
I will truly miss Pat and was shocked to hear of her passing. I know that she will be at home now with her best friend and husband. I hope you will always remember the good times.
