“ *David, Sue, Ann & Jill, I'm so sorry to hear of your Mom's passing. So many fond memories of you all. Every time I'd watch Mad Men I would remember our Mom's sitting around kitchen tables and us running around. Seems like a different world. I hope you are all well. -Karla (Pusecker) Wilson.*

“ I was very sad to hear that your mother passed away. It does seem like a lifetime ago that we were all playing on Frisbee drive. It was a simpler time then where not only all of our backyards were connected but our families were as well. Every mom was all of our moms. Your mother was always so kind and always had a big smile. She would bring out Kool-aid and cookies and never seemed to mind that we spent countless hours playing horse in your driveway. I would see that same big smile years later at the bank or maybe bumping into her at the grocery and she would always connect and make you feel like one of her own. You knew by the sparkle in her eyes that she was truly happy to see you.
I'm sorry I've lost track of you all. Out of touch doesn't mean out of mind. We were all very lucky to have that bond as kids and today my heart is breaking with you and I am sending love and my deepest condolences to your family.

“ To David, Sue, Ann and Jill, God bless and comfort you and your families as you remember your mom. <3 We have such lovely memories of many wonderful times together over the years, including time spent at your great house on Butternut Court after cutting down Christmas trees at Timbuk Tree Farm, and summer afternoons on your back deck.

We are grateful to have such memories.

Much love to you all. <3
