“ *My deepest sympathy to the family. I did not have the honor to know Pat, other than her being Donna's sister. I have always considered Donna a long time dear friend. I just wanted her to know I'm thinking of her and her family and sharing the loss of Pat. Ken Wilson*

“ *I am so sorry for your loss. Pat was an amazing person. I not only worked with Pat, but also lived next to her up on Tyjon Ct. She was so full of life and always ready to help someone out. I will miss her smile and her way of always making everyone feel like what ever their issues were at the moment, they would get better...she had a smile and a laugh that was infectious. She will be missed in this world.*

“ *How shall we sing our love's song now
In this strange land where all are born to die?
Each tree and leaf and star show how
The universe is part of this one cry,
Every life is noted and is cherished,
and nothing loved is ever lost or perished.”
