“ *Dear Bill and Family, I am so sorry to hear about the loss of such a great woman as Pat. I know my parents (Karl & Carol Brown) have had some of the greatest trips due to you and Pat. The pictures I see all the time where all four of you are embracing the most authentic smile possible. I have many of my own memories of love and laughter with Pat. She always had this contagious joy that filled whatever space she was in. I do remember all the hearty laughs I had with her. Please know you will all be in my prayers. We have hope in Jesus' Resurrection and the promise we will see our loved ones again someday. I am sure she is being welcomed with open arms of Jesus through the hands of Our Blessed Mother Mary. May her soul rest in peace!*

“ Dear Bill and Family, please accept our heart felt condolences upon the death of our beloved Pat. Her bright smile and generous spirit was an incredible blessing to all who knew her. I am very grateful to have been able to witness that beautiful spirit in action by the countless hours you both spent volunteering at St Joan of Arc. She will be deeply missed, but her memory will live in our hearts. May she now be in God's loving care, may His eternal light shine upon her and May she rest in peace. May you find comfort and peace knowing you have enriched so many people with your caring and kindness. Love, Romy & Bruce

“ I’ll always have many memories of my grandmother. What I remember most is the evenings when she would be reading in the computer room listening to whatever music of choice she had on that night, or when she would play Mahjong or cards on the Computer.
