“ *It's been almost a year now Aunt Pat and I still think of you often. And thank you.*

“ *I will miss my Aunt Pat everyday. She was a very special & kind person and was always there when I needed a shoulder or just someone to talk to. Rest in peace Aunt Pat...love you always.*

“ *Pat was my neighbor on S. Selby from 1977 to 1997 and we knew both Bob and Pat quite well. We helped Pat when Bob died, and went with her to arrange his burial. I have visited Pat from time to time, but not as often as I would have liked, and hadn't talked to her since her birthday. My extreme sympathy to your family - she spoke so highly of all of you and I felt like I knew you through our conversations.*
