“ *My deepest sympathy to Pat's family upon her passing. I knew Pat for only a few years, meeting her first at Broadview Mortgage Co.. She was a most gracious, beautiful, kind and special woman. We also both attended Worthington United Methodist Church. I moved back to Pittsburgh, Pa in 1997 and, yet, we kept in touch for all of those years, always remembering each other's birthdays. I am so sad that Pat is not still gracing our world with her beautiful spirit. I know how much she is loved and will be missed. Rest in Peace dear friend. You were and will continue to be a blessing to everyone.*

“ My mother, Barbara Amling, was in nursing school at OSU with your mom. She has such fond memories of those years and spending time at your mother’s family home during college years. She also enjoyed the lunches with your mom and other nursing school classmates when they got together to reminisce and catch up on all their busy lives. Mom sends her deepest sympathy to you and your family.

Thank you so much. My mom spoke often of her and your dad. Hope your mom is doing well. They are the greatest generation and a treasure to us and our families.

“ I will always cherish the memories I have of spending time with 'Grandma Pat.' She brightened any occasion with her sharp humor and infectious laugh. Her powerful and steadfast love for her family is an example to follow. One thing I will always remember is meeting her in her "golden years," laughing with her, and thinking that if this sparkling, quick-witted woman was the matriarch of this group, this must be one tremendous family.

To Doug, Ann, Will, Baylie, Alex, Leigh Ann, Pam, Felix, Dick, and to all of you, I wish so much that I could be with you this week to share my love and memories of Pat. My thoughts will be with you. Though this is a heartbreaking time, I feel very fortunate to have had the chance to know her and spend so many great moments with her and the rest of the Zimmerman clan.

“ Dear Pam, Richard and Doug, I wanted to express my condolences to your family for the passing of your mother. My dad, William (Bill) Quelette, was a Worthington high school classmate of your mom and dad and also a football teammate of your dad. My mom, Jean Quelette, was a CCL member with your mom and I remember going over to your house as a kid. An irony is that I married Patty Hegenberger who's dad Paul Hegenberger was a co-worker and good friend of your dad at Ohio Bell for many years. My wife's parents (Hegenbergers) lived off of Jewett Rd in Delaware County for almost 55 years before they both passed. This is the same small development (Highland View Dr) that your dad helped create back in the 1960's with a group of Ohio Bell employees. Your parents were really great people and its sad to see this Greatest Generation go.

Sincerely,
Brian Quelette
