“ *Dear Chris.*

*THANK you for reaching out to me last night. As you know I am shocked to hear of the news. I am so sorry I have not been there for you and the family these past weeks. I just spoke to your Dad not long ago, soon after he and Tom was at my mothers funeral and again by phone to see if your Dad wanted to get together. The relationships we built over the years, (thirty plus) are forever my treasures. Dinner with your mom, dad, Chris and Tom B, your Dad showing up at my moms just to hang out, visiting her in the hospital or taking her to the Dr or hospital for a treatment. I am not 'fond' on many people, but how could I not love your Dad. He was part of our family. I am just a phone call away.*

*Love to ALL*
