“ *Conheci o Patrick em São Paulo e começamos a namorar, e ele passou a frequentar a minha casa, vivemos por quatro anos um relacionamento de muito amor e respeito. Ele ficava em minha casa mesmo tendo a opção de ficar em um hotel e adorava a minha comida e a companhia dos meus filhos, pois eu era separada. As lembranças dos passeios ao seu lado e das risadas vão ficar para sempre em minha memória.*

“ *I have many memories of coaching soccer with Pat. Great times sharing these experiences. The times we spent as friends and laughing together are fondly remembered. I particularly smile while remembering the “guys cook” New Years eves. I will never forget you, Pat.*

I miss giving you a hard time about the donuts during the Senior/infirm Ministry you built at St. Joan of Arc in Powell. You really loved Patricia and spoke of her often. After learning you were both named variations of Pat, I asked you if you had a Paddy wagon. It was an endearing chuckle. You are sorely missed.

“ Dear Patricia:

Allow me to extend my sincerest condolences on Patrick's passing. As you know, Patrick and I worked together for years at Sterling Commerce. Patrick was someone who always came forward with ideas on how to make things better. It was a real pleasure and honor to work with him at Sterling. And several years after Sterling, it was Patrick who called and asked me to interview with Caster Connection, and for that, I'm forever grateful.

*My sincerest and fondest regards,
John Reat*

“ I loved and admired my older brother, and will always treasure the fond memories that I have. He was always there to give me guidance, a helping hand, and thoughts on solving world problems. Some of my fondest memories are: playing touch football in Malibu with Pat, Charlie, and Tim; spending time with him when he was living in Santa Monica, CA; sailing together at Dana Point and the Dominican Republic at my son's wedding; putting our carpentry skills together enclosing patios, installing cabinets, and building a playhouse; and sharing time together at the lake and trips to Put-in-Bay. He was always there for encouragement or advice. I will truly miss him

He was a classmate (1965) in Blue Earth. MN, where his father was teacher, coach and great person. By what I just read in his obituary, he followed in his dad's footsteps. He was a leader, good student and great athlete. Sorry to hear he is gone. RIP . Ruthann Golay Gaard

“ Pat was a wonderful brother-in-law, loved his family unconditionally, and was always there if you needed him. He was a great carpenter also and our family benefited greatly from his skills from enclosed porches to an awesome playhouse when the kids were little. We had all the neighborhood kids playing in our back yard making use of the playhouse. I have great memories of family time that I will always cherish. The time we sat around the table talking after celebrating Pat's dad birthday will always be one of my fondest memories- the laughter and love that day was awesome. He was a great man and will be missed. Love you Pat!

“ Patrick and I worked together for over 6 years. We were both Marines and bonded easily. Patrick was one of the best managers I ever worked with. He was diligent, worked well with people, smart, and a hard worker. He was successful at his work and in his personal life as well. After we both retired we would occasionally meet for breakfast. He was very proud and excited about his Catholic Church Outreach Program for Seniors. His energy never flagged even when the dementia set in. I shall miss Patrick and will remember him with fondness. The Class of 1965 from Blue Earth, Minnesota is poorer for his loss. He was a friend to all and he will be missed. I remember him driving my dads OLD car and missing the entrance to the drive in theater - so he went right into the ditch and back to the entrance. I THINK we apologized to the kids in the trunk for the rough ride..... if not, I do so now!!
