“ On behalf of all the staff, Residents and Sisters here at the Villas, I express our sadness at Mr Cory's death. In the short time he spent with us here at the Villas, I was amazed at his positive attitude in spite of the seemingly endless health challenges that he confronted. I know from speaking to him that this was a life long outlook over all of his remarkable life. He is now re-united with Marie, the love of his life. May God grant his family peace of heart.
