“ *Kathy & Fred ... On behalf of my deceased Uncle ... Raymond Ramsey ... I send condolences to the both of you on the loss of your beloved Brother, Paul. Your brother provided financial guidance to Mr. Ramsey for many years, who thought of Paul as a dear friend and confidant. As a close niece of Mr. Ramsey, I had the privilege of meeting Paul, as I had heard good word of his name over and over all through the years. You should stand proud for all the financial stability your brother provided to so many, and for being their friend as a side. My Uncle thought the world and all of him. So this day you have my heartfelt sympathy in your loss. Hopefully, the two of them will reunite soon.*
