“ *My thoughts and prayers are with Ron and the rest of Paul's family. In my 12 years as Chair of ISE, I could look forward to his occasional visits to my office to just chat and to keep me posted on the latest mathematical computing challenge that occupied his time. Paul was kind and gentle man who was dedicated to his family, his department, his college, and his profession. May God rest his soul, George Smith Prof Emeritus and Former Chair, ISE Department, OSU*
