“ *Paul was my first boss right out of college. He was great to work with and very patient with the "green" intern as we hand drafted plans for office buildings. He was a talented designer and his marks have been left all over Worthington. Unfortunately we lost touch over the years, but I have fond memories of working with Paul. He will be missed. My condolences to the family.*

“ *I have many fond memories of Paul and Hattie, since first meeting them at York Golf Club. My husband and I often played golf and went to dinner with them. When we built our house in 1986, Paul gave us so much help and advice as an architect. Your families have my thoughts and prayers.*
