“ *Alida and Audrey, We were so sad to learn about your mom's passing on Sat. We hope that you and your families were able to make some wonderful memories of your last days together with her on this earth. May God give you His supernatural peace and comfort during this difficult time. With prayers for you, Don and Beth Herring*

“ *Dear Alida and Audrey, My sister Nancy just emailed us that your mother died at age 98. Since we live in Dubuque, Iowa, we will obviously not be present at tomorrow's funeral service for Pearl. However, I did want you to know how well remember your mother and father (and of course your brother John) from those good years together at North Community Lutheran Church--back in the 50s and 60s. Much has transpired since then, but I trust that you have experienced many good years with your mother. I recall my mother's updates on Pearl over the years. My mother deeply appreciated your mother. Judy did not know your father but remembers your mother well--and of course knew you both. She sends warmest greetings to you both. May the Lord of life and death secure your mother and us all in God's amazing mercy and grace.*
