“ So sorry for your loss! Your Mom was my cousin she was older and I never knew her well do to an age difference and many miles. What I do remember is her playing the organ and boy was she good! I was 5 or 6 spinning round Auntie Viola's as Peggy played. I've lost my Mom and know how hard it is. Our prays are with you!

“ Thank you so much for stopping by and paying respects to my mom. She was a very happy person and I know that she would not want us feeling bad or crying about her (although we have and we will). She had been fighting Alzheimer's for almost ten years and she can finally be at peace now.

“ The last few years were very difficult for our mom and words cannot express how much she will be missed by her family and close friends, but she is now at peace.
