

Peggy S. Vicars

October 5, 1940 - April 23, 2020

Peggy S. (Staton) Vicars, 79, of Worthington, OH, died peacefully on Thursday, April 23, 2020. She was born October 5, 1940 to Gay and Troy Staton of Forest Hills, KY, a place that always remained in her heart as “down-home”. She graduated from Pikeville College in 1963, which is also where she met the love of her life, Gary V. Vicars. They married June 20, 1964, and began to build their careers and family in central Ohio. Peggy enjoyed gardening, reading, and solving crossword puzzles in her quiet time. She was also a devoted wife, mother, grandmother, and friend. She was more fierce and stronger than she ever gave herself credit - most noticed when caring for their family during her husband’s battle with kidney disease. Peggy lived most of the last decade in the Westminster-Thurber community where she created new friendships, on and off the shuffleboard court. The staff of Westminster-Thurber lovingly cared for her to the end. She is survived by her son Jason Vicars and daughter Andrea Vicars of Columbus, OH; daughter Sara (Jeff) Yaniga of Chicago, IL; and three grandchildren, Olivia Vicars, Henry, and Cecilia Yaniga, all whom she cared about deeply and loved with her whole being. In the final days, it was the grandchildren that could make her smile the most. Peggy is preceded in death by her husband Gary and sister Lola Mae. A memorial service will be planned for a later date.

Memorial contributions may be made to the Alzheimer’s Association of Central Ohio (1379 Dublin Rd., Columbus 43215) or the Kidney Foundation of Central Ohio (2800 Corporate Exchange Drive Suite 215, Columbus 43231)

“ *Sara, so sad to hear about your mom. Loved working with her in Girl Scouts. She was the best cookie organizer ever. I enjoyed having long chats with her over many years after.*

“ *My sincere sympathy at the passing of your mom, Jason. We had so many happy hours sitting together at the jigsaw puzzle table, mostly talking about the mountains, her early life and her love of “down home,” and how things changed over the years. I enjoyed knowing Peggy and missed her when she moved to memory care. May she rest in peace.*

“ Your mom and dad were both strong willed, kind hearted, and fun people. You were all very lucky kids. Know you will miss your mom, but she is in good hands. God bless! Barry Merrick

“ I met Peggy and Gary while I served on the board of the National Kidney Foundation of Ohio. Both not only volunteered for the organization, but Peggy also worked for it for a while. Peggy was devoted to Gary and her family and was a delightful, caring person. God's peace and comfort to her family and friends.

We met Peggy and Gary Vicars at Westgate Baptist Church back in 1962. We went to dinner together many times and visited in each other's homes. They were a wonderful Christian couple.

“ My sincere condolences to the Vicars family. I will always remember Peggy's smile and her most caring manner with everyone. I had the opportunity to work with her at Columbus State and will keep those memories close in my heart.
