“ *Patty, we most likely spoke to each other very few times - if any - during our days as WHS '61 classmates. Such is far too often the way of adolescents for various reasons. Suffice to say, I - along with others - read of your sister's passing in the WHS Alumni E-Newsletter and wanted to convey my sympathies to you and your family. We all need support in numerous and various ways during such times.*

“ *I am so very sorry to hear this news of my classmate Penny. I've often wondered about her over the years. Kathy Hard, Ann Gulick and I used to hike out to the Holdrens' farm sometimes on a Saturday for a day-long visit with Penny. We were always warmly welcomed by her whole family, and it was quite wonderful. Great memories of an earlier time.*
