“ I remember Penny through her special friend, Kay Goff. I went to the movie one Saturday night with them and just remember how fun and quirky Penny was. Most of all I will always remember the special friendship they had, and I know how much she will be missed by Kay. I also remember Penny when she lived on Riverglen and would have these fabulous garage sales and I really didn't know her but would look forward to attending her sale every year. She would have samples of the lines she sold to places like Hallmark and I remember all the goodies I would get from this fun lady. To her extended family, please accept my sincere sympathy in her loss.

“ Bobbie and Chris and family and friends, Penny came into my life just 11 years ago when I needed help finding a place to live. Over the next 10 years she helped me buy and sell 3 more houses but more than that she became a very dear friend to me. She was always so supportive and upbeat and strong. She was a role model for me as I went through 6 surgeries and she was always there for me. She let me live with her for 6 weeks between one of my moves ...she was such a generous fun person. I will miss her and I send my prayers to Bobbie and Chris and all the people who were lucky like me to have been in Penny's life. With much love and sadness, Jane

“ It is with deep sadness that I learned today about Penny's passing. I met Penny when her son Chris (my husband's commander) was deployed in 2006. She was a force to be reckoned with - and for that, I absolutely adored her! MAJ Call, please know that you and your entire family are in my thoughts and prayers. Hugs to you all as you transition through this difficult time.

“ It is with a very heavy heart that I read of the passing of Penny. She entered my life as a newcomer to real estate and we worked closely together for several years. Even after we went separate ways in business, we always stayed in touch. Who could forget Penny?? She was so full of life, love, always smiling and ready to help in word and deed. Truly an inspiration to all the lives she touched. In life, it's not what you gather, but what you scatter...and Penny scattered happiness, love and good will everywhere! She will be lovingly remembered!

“ It is with great sadness that we learned today of Penny's passing. She became a friend helping us with the buying and selling of several homes in the Worthington area. We grew to love her over the 10 years we spent in Columbus and both of our children did too. Truly she was a wonderful woman and the world has suffered a great loss. She was proud of her family and loved those little grandchildren. We are so sorry at your loss and send sincere sympathy your way. Sue, Brian, Andrew and Anne McFarlane

“ Bobbie & Chris, Your Mom was such a joy to know and work with at Cam Taylor Co. She accepted every referral opportunity with enthusiasm and the comment, "this will be easy and fun." She made such an impact on our company, always wanting to bring people together. I will miss her greatly. She fought the good battle and now she resides in a better place. My thoughts and prayers are with your family. Judy
